\*Travel partners do not compete against each other until they compete at a dual match instead of during the double duals.

\*If a team listed does not compete, it becomes a tri-match. If you choose to wrestle against your travel partner at a meet that has just 3 teams due to a team cancellation, that contest does not count for league standings. Only the scheduled dual will count in league standings.

**BTC Tournament: Feb. 1, 2025 at Brown City**
