The weigh-in shall be up to one hour in length. The actual weight of each contestant shall be recorded on the weigh-in form. The order of weight classes at weigh-in shall follow the order of weight classes to be wrestled at that tournament. All wrestlers weighing in at the same weight class must use the same scale. Weigh-ins will take place on site and will follow NFHS procedures: Wrestlers shall weigh-in wearing a legal uniform with suitable undergarments. Socks may be worn but may not be taken off as a means of making weight.
